

ASHS Gymnasium is available for hire from 6.30 pm Monday to Friday and some availability at the weekend.

Our gym is a great training venue, but it isn't suitable for competitions as there isn't sufficient space for spectators.

The gym has a sprung wooden floor the size of a full basketball court. There are markings for netball, badminton, and volleyball on the floor.

Basketball hoops at each end can be raised and lowered. Posts are available for netball, badminton and volleyball - nets to be supplied by hirer.

There is a ventilation system to help with air movement and this is activated once the lights are turned on. Change rooms and toilet facilities are located in the same complex off the main foyer area.

Parking is right beside the gym and there are security cameras operating for extra security

Hire sessions must be for a minimum of 2 hours per session over 8 consecutive weeks. A bond is required on signing a contract, and is refunded once access cards have been returned and no damage has been identified.

Contact us : If you would like more information, or would like to arrange a visit please email businessmanager@ashs.school.nz or telephone 09-4519065 and ask for the school's Business Manager.
